

**WARNING** Take care when bending and leaning forward or sideways.

**WARNING** Ensure your child's chin is not resting on its chest as its breathing may be restricted which could lead to suffocation.

**WARNING** Make sure the baby does not curl into a position with the chin resting on or near the baby's chest. This position can interfere with breathing, even when nothing is covering nose or mouth.

**WARNING** For pre-term, low birth weight babies and children with medical conditions, seek advice from a health professional before using this product.

**WARNING** Ensure proper placement of child in product including leg placement.

Check for ripped seams, torn fabric, and other damage before each use.

## Caution!

**Keep this supplement for reference!**

## Important:

Never place more than one baby in the sling carrier.

This carrier is not suitable for use during sporting activities, e.g. running, biking, and skiing.

Your balance may be adversely affected by your movement and that of your child.

Never use a Baby Wrap Sling while engaging in activities such as cooking and cleaning which involve a heat source or exposure to chemicals.

The sling has been designed so that your child should always be facing towards you.

Keep the sling away from children when it is not in use.
